East Bay Chevrolet Starts Dealer-Owner Program

Working on the premise that "an effective Dealer-Owner Relations program should be a vital part of the selling philosophy of any modern Chevrolet dealership", the East Bay Chevrolet Company, 916 San Pablo Avenue, has started an interesting series of informal luncheon conferences with past customers as guests.

The first of the luncheon meetings, organized by Customer Relations Manager Jim Kittredge, was held at Kirby's Restaurant, El Cerrito Plaza, February 18. Using a tape recorder, so that answers could be evaluated to better customer relationship, the guests were asked for suggestions and criticisms of either the product, management or service. Present at the dinner were Mr. Bill McAuley, Mrs. Mildred Kellette, Mr. Dave Townsend, Mr. Lloyd Smrstik, Mr. John Lehman, Mrs. Silvia Lewis, Mr. H. D. Carr, Mr. and Mrs. Faye Hawkins, Mr. Sal Salinero, Jack Labadie, President of East Bay Chevrolet Co.; Jim Kittredge, Customer Relations Manager, and Mr. Ken Bragg, District Manager, Chevrolet Motor Division of General Motors Corp.

The Chevrolet owners invited to attend were selected to present a balanced test group. They were old customers and new customers alike. Female as well as male, executives and professional people along with shirt-sleeve workers, owners of all type models of Chevrolet formed a good cross section of present customer-owner relationship.

A GRANDFATHER SPEAKS Albany School Bond Issue

By C. F. GRAEBER

Each time the people are asked to pass bond issues, we must ask ourselves: "Why is this necessary?" In the case of the Albany School bonds the answer is simply, to replace worn out buildings and facilities and to provide adequate modern facilities for our youngsters.

I've been in Albany since 1925. Four of my children went through the Albany Schools. One grandson graduated from Albany High

School, winning a four year academic scholarship, and two of my grandchildren are now attending our schools.

Each year I visit the schools and find them a little older and more out of date. The older buildings need replacing now.

A School District that has earned our confidence deserves the support of all of us so that tomorrow's youngster may get his education in good, safe and adequate surroundings.

My vote is YES on School Bonds.

AHTA To Study Bonds

Members and guests of the Albany Homeowners and Taxpayers Association met in the Banquet Room at Serb's Restaurant.

Guest speaker of the evening was Mrs. Kenneth Forry, Superintendent of Albany Schools. Mr. Forry spoke concerning the upcoming school bond issue which will appear in a special bond election May 28, 1963. The \$995,000 bond monies would be used to replace the existing Band Building, Annex Building, Homemaking Cottage, Wood Shop, and the present Auto and Metal Shop. Proposed are two new structures which would house the above mentioned activities. Renovations would be made to the main school building to accommodate modern Commercial, Science and Foreign Language Departments. The Albany Homeowners and Taxpayers Association is not prepared to present its position on this important matter at this time. Following Mr. Forry's talk there was a question and answer period.

During the business meeting that followed a progress report on the referendum petition for reconsideration of Rapid Transit was heard. It was noted that approximately two thousand (2000) signatures have been obtained, to date, by the Albany Homeowners and Taxpayers Association members.

Members unanimously approved a resolution which puts the Albany Homeowners and Taxpayers Association on record as opposing any change from the present 66-2/3 majority vote required on all general obligation bond issues.

County Assembly Topic Of Debate

Members of the Albany Republican Assembly will hear a very informative debate on the "pros" and "cons" of belonging to a County Assembly, according to Bill Davis, program chairman.

Under a new proposal to be voted upon at the May meeting of the County Coordinating Council, the local units (who now receive their charters from the State) would surrender their present charters and be rechartered by the County.

The debate will be a part of the monthly meeting of the Albany Republican Assembly, to be held at the Cornell School cafeteria, Wednesday, March 27, 8:00 p.m.

terial, Wednesday, March 27, 8:00 p.m.

MRS. JOHN DURLAND has just returned from a visit to her daughter, Mrs. Kermit (Evelyn) Kleiwer, in Brawley, Calif. The occasion was the arrival of a new grandson, Bruce Allen, on March 4. Bruce has two sisters, Wendy and Bonnie.

ESSAY WINNERS

Sue Shattock, 608 Spokane Avenue, and Judy Stocking, 1289 Brighton Avenue, student at Al-

bany High School, were winners of the United Nations Essay Contest. Alameda County led all other

counties in the United States in submitted entries. The subject of the essay was "History and Operations of the United States."

Sue and Judy will receive the county award Wednesday evening, March 27, at the Presbyterian Church, 49th and Webster

Streets in Oakland. The award is a Government Bond. The winning essays will be sent to New York for national judging.

VOTERS OF BERKELEY... YOUR HELP IS NEEDED TO DEFEAT THE HOUSING ORDINANCE... VOTE AGAINST IT, APRIL 2ND

ALL BERKELEYANS ARE ADVERSELY AFFECTED BY THIS RESTRICTIVE ORDINANCE. IT COVERS EVERY HOME AND EVERY APARTMENT.

By law your private property becomes publicly controlled... and private property owners—regardless of their personal choice, will be forced to accept the first financially qualified buyer or tenant...

THIS MEASURE IS A CRIMINAL ORDINANCE!

Property owners found guilty of exercising their freedom of choice can be sent to jail for six months or fined \$500, or both.

The ordinance establishes a four-member politically appointed kangaroo court which will determine your guilt... and you will be denied the right to have your case reviewed in a regular court of law!

This housing ordinance destroys your freedom of choice... robs you of your constitutionally guaranteed private property rights... and prevents you from obtaining due process of law!

STATEMENT OF POLICY CITIZENS LEAGUE FOR INDIVIDUAL FREEDOM

- 1) We oppose racial or religious discrimination of any type.
- 2) We are neither Left Wing nor Right Wing in our viewpoints.
- 3) We are Americans, dedicated to the principles and philosophy set forth in the Constitution of the United States.
- 4) We firmly believe in the freedom of individual choice and the protection of private property rights.
- 5) We believe that racial discrimination problems should be solved by education rather than legislation.
- 6) We are convinced that the type of legislation proposed will agitate discrimination between racial groups with resultant disruption of community relations.
- 7) Our membership is open to all who share in our beliefs, regardless of race, color, creed or national origin.
